Luxury Villa with a Pool

Luxury Villa for Sale in Sicily - Panoramic estate with private pool in the heart of Menfi. Nestled among the sky, vineyards, and the sea lies one of the most exclusive properties on Sicily's southwestern coast. A residence that is not just a home, but an experience of style, light, and well-being. Located just a few minutes from the seaside village of Porto Palo, overlooking its enchanting gulf, the villa commands a view of an authentic landscape of vineyards, sea breezes, and endless sunsets. Menfi, known as the "city of the clean sea," is one of Sicily's most refined and secluded destinations, perfectly connected to iconic sites such as the Belice Valley and the Archaeological Park of the Temples of Selinunte and Agrigento. Designer furnishings with a fully equipped kitchen, including cabinetry and appliances. Artistic flooring created using the "acid-etched" technique in shades of blue with hints of green and gray. Airy and bright rooms. PVC window frames with double-pane glass and heat/cool air conditioning units ensure year-round comfort, while the elevated location guarantees constant and pleasant natural ventilation. Outside, the property transforms into a true private resort. 6 x 11-meter panoramic pool with a whirlpool area, tropical corner, and a large, scenic palm grove.
